All programs run year-round, Monday through Thursday. Night classes meet Monday through Friday from 4:30pm to 9:30pm and variable Saturdays per month from 9:00am to 5:00pm. [http://perrytech.edu/programs/disclosures/](http://perrytech.edu/programs/disclosures/)

### Enrollment Checklist
- Schedule a program tour.
- Schedule the entrance exam and complete the following steps:
  - Submit Enrollment Application.
  - Pay $45 registration fee.
  - Provide proof of education (GED transcript or official sealed high school transcript).
  - Provide proof of postsecondary education transcript.
  - Provide state-issued picture ID or driver’s license.
  - **(Automotive and HVAC/R Only)** Provide a 3-year driving abstract from the DMV & have a valid driver’s license.
  - **(Machine Only)** Informational Meeting with Department Head.
  - **(Medical Assistant Only)** Background check.
- Successfully complete the entrance exam. (After two failed attempts you must wait three months before re-taking the entrance exam and will be required to re-pay the $45 registration fee.)
- Entrance Interview with Dean.
- Pay $500 tuition deposit to secure your spot in the program.
- Attend mandatory new student orientation.

### Annual Security Report

More importantly, the report is a resource that allows all interested parties to easily access and research the school’s crime prevention and safety policies, procedures, and guidelines that assure the safest possible experience at PTI. Perry Technical Institute’s Annual Security Report can be viewed online at [http://www.perrytech.edu/newstudents/index.html](http://www.perrytech.edu/newstudents/index.html). Printed copies may be provided by contacting the Facilities & Safety Manager.
Entrance Exam Contents and Self-Study Guide Resources

Match the section numbers with the corresponding definitions below. You will only be tested on the section numbers listed next to the program of your choice.

Automotive Technology - Sections 2, 5, & 6
Business Technology and Accounting - Sections 1, 3 & 5
Electrical Technology - Sections 2, 5, & 6
Heating, Ventilation & Air Conditioning Technology - Sections 2, 4, 5, & 6
Information Technology & Communication Systems - Sections 1, 2, & 4
Instrumentation & Industrial Automation - Sections 1 & 2
Machine Technology - Sections 2, 5, 6, & 7
Medical Assistant - Sections 3, 5, & 6
Medical Office Administration & Coding - Sections 3, 5, & 6
Welding Technology - Sections 2, 5, & 6

1. Compass Testing - Math, Algebra, Reading and Writing Skills (BTA - Only writing skills)
   http://www.act.org/compass/sample/
