Student Directive for Disbursement of State Student Aid

Your designation and signature on this form will document your choice to allow the Washington State Aid funds to either be applied directly to your student account or be given directly to you in the form of a check. A state grant recipient has the following two choices:

Please choose one of these options:

I choose to have state student aid funds applied directly to my student account and be automatically credited toward expenses I owe Perry Technical Institute.

Choosing to have the funds deposited to your student account allows the aid to be automatically credited toward expenses you may owe to the school. This option will also allow any refunds of financial aid proceeds that may be due for you to be processed faster.

OR

I choose to have state student aid funds given directly to me (not credited to my student account). I understand that I am responsible for all outstanding balances on my student account at Perry Technical Institute.

Choosing to have the funds given directly to you will not allow the aid to be automatically credited toward expenses you may owe to the school. You will be responsible for using the funds to pay for educational expenses you owe to the school. This option may result in late fees being assessed on your student account if you do not pay your account in full using either part or all of these state funds.

Make sure you have checked one of the lines above. By signing below you also certify that you have read and agree to the Conditions of Award on the reverse side of this form.

Your choice will stay in effect as long as you are enrolled at this school. However, you may change your directive for a future term by informing your Financial Aid Office in writing.
