Student directive for disbursement of State Aid

Your designation and signature on this form will document your choice for funds to either be applied directly to your student account or be given directly to you in the form of a check. A state grant or scholarship recipient has the following two choices:

- Choosing to have the funds deposited to your student account permits the aid to be automatically credited toward expenses you may owe Perry Technical Institute. This option allows **faster processing** of any refunds of financial aid proceeds that may be due for you.
- Choosing to have state financial aid funds given directly to you means that state student aid will **not** be automatically available to pay for tuition and fees. **You are responsible** for using the funds to pay for educational expenses you owe Perry Technical Institute.

Please choose one of these options:

_____ I choose to have state student aid funds applied directly to my student account and be automatically credited toward expenses I owe Perry Technical Institute.

OR

_____ I choose to have state student aid funds given directly to me (not credited to my student account).

I understand that *I am responsible* for all outstanding balances on my student account at Perry Technical Institute.

Your choice will stay in effect for as long as you are enrolled at this school. However, you may change your directive for a future term by informing your Financial Aid Office in writing.
